IN SEARCH FOR DANIEL MCLENDON Nov. 6th., 1982
By Lillian S. McMurry

Resume' of all information found on Daniel McLendon(s):

Reason: In an effort to prove that Ezekiel McLendon of Anson, Montgomery and/or Richmond Co., N. C.'s son, Daniel, is the same Daniel McLendon as the one who came to Greene Co., Miss. and md. Isabelle McIntosh and who became parents of Allen, Alexander and John McLendon who lived in Greene and Clarke Co., Miss.

EZEKIEL:

I. 1748.....Ezekiel McLendon born.
ca.1771-2.....Married to Mary Dunn (this is assumed since Jesse, the oldest child was born in 1772).
7/13/1774.....Dennis McClendon, Sr., deeded land, 150 A. on Brown Creek to his SON, Ezekiel McClendon out of 300 A. bought by Dennis from Mary Gambrill on same date. (Ct. Min. Abstracts, Anson Co., Pg. 93, 1771-1777.)
1782 - to Montgomery Co. for records, 1780-82, pg 145.
1802.....Died in Montgomery Co., N. C.
7/1803.....Ezekiel's widow, Mary Dunn McLendon, relinquished her dower.
6/15/1815.....Ezekiel's children appointed John McLendon of Anson Co., N. C. as attorney to settle Ezekiel's estate for the children living in Franklin County, Tennessee. This did not say MINOR children. (Can't figure which John this was since:
-Thomas' son, John, born 1722 died 1783, so was not present.
-Could this have been a child of Ezekiel named John who lived in Anson County?
-Could there have been more children of Ezekiel living in Anson, Montgomery and/or Richmond Co., N. C. and not in Franklin Co., Tenn.?
-Would not the (1) relinguishment of Mary's dower
or
(2) the court settlement papers handled by John McLendon
show the other children of Ezekiel and Mary D. McLendon?
,N.C.

Note: Keep in mind that Anson County/was divided on 1771 into Montgomery County and Anson, then Anson was divided again into Richmond County on 10/23/1799.

DANIEL:

II. 1782.....Daniel McLendon born in Montgomery Co., N. C. (some say he was born prior to 1775, maybe 1765; most histories say 1782).
1784-87...N. C. Census, Richmond Co., lists:
1 wm 21-60 yrs., 1 wm under 21 and over 60, 4 white females.
Per JFBMc.? 1786-87...Daniel bought land from Robert Thomas. WHERE.
1790 .....Federal Census, page 46, Richmond Co., N. C., lists:
1 wm 21-60 years., 2 wm under 21 and over 60, 4 white females.

1803.....Jesse McLendon sold land to brother Daniel in Anson Co., N. C.
6/5/1815.....Daniel McLendon, Nathan Camp, Patsy Camp and Susannah Townsen of Franklin Co., Tenn. (note this does not say MINORS) appoint John McLendon, attorney to settle Ezekiel's estate in Anson Co., N. C.

Search for:
Daniel McLendon, continued
Nov. 6, 1982
by Lillian S. McMurry

1805.....Tennessee Tax lists Daniel.
1809-10...is the assumed date Daniel married Isabel McIntosh, b. 1775-78, d. prior to 1840 in Alexander's home in Pierce Springs, Ms. This marriage date is chosen because Daniel and Isabel's son, Alexander, the oldest child, was born in 1810 (when Daniel was 28 years old).
1810.....Federal Census of South Carolina, Chesterfield County lists: 2 in family.

1810.....Federal Census, Montgomery Co., N. C. lists:
Daniel: 1 m 16 to 26, 1 f 16 to 26.
Alexander: 1 m 16 to 26, 1 m over 45, 2 f 16 to 26, 1 f over 45.
Kenneth: 1 m 26 to 45, 2 f 16 to 26.
William: 2 m under 10, 1 m 26 to 45, 2 f under 10, 1 f 16 to 26.
Edmund: 1 m under 10, 1 m 10 to 16, 1 m 26 to 45, 3 f under 10, 1 f 26-45.
1820.....Federal Census of Miss,, Greene County, lists:
Daniel: 2 m 16 to 26, 1 m 26-45, 1 m over 45, 1 f under 10, 1 f 26 to 45.
6/15/1815..Settlement of Ezekiel's estate for children of Ezekiel who lived in Franklin Co, Tenn in 1803-7. Daniel was one of the children.

12/2/1824..Daniel McLendon sells land (he bought in 1803 from his brother, Jesse) to Gideon B. Winfree; land in Anson Co., N. C.

Ca. 1840...Daniel died in Greene Co., Miss. (maybe 1825 to 1830 as some say in family histories; however, most say 1840).

1840...A Daniel McLendon was found in 1840 Census, Cumberland Co., N.C. Was this the same Daniel as above?

NEEDED: Any kind of proof of Daniel's existence in Mississippi, along with any proofs from N. C. or Tenn., such as Bible records, tax records, death records, cemetary records, school records listing his or Ezekiel's children, marriage records of Daniel and Isabel McIntosh, love land deed gifts to children of Daniel, probate of Daniel's estate in Tenn., N. C. or Miss.

Need copy of relict of Ezekiel's widow, Mary Dunn McLendon, of her dower on July 1803.

Need copy of final settlement of Ezekiel's estate to ALL his children in Anson Co., N. C., including the five in Franklin Co., Tenn. for whom John McLendon of Anson County, N. C. was appointed attorney. IF there were other children grown or otherwise, they sould have been listed in the final settlement.

Where Daniel may be buried:

-He may be buried with the Black family in their old cemetary just South of the George and Greene Co. line where Highway 57, South from McLain, crosses the two county lines and beforehighway 26 crosses 57. Go across the line, see negro church on right (going south) and the cemetary is way back on a boondock road or trail back of the church.

-He may be buried at Pierce Springs, Miss., which is most likely since his son Alexander lived there in Clarke Co., Ms. and, also, that Isabel McIntosh McLendon, his wife, died at Alexander's home there.

However, a search was made in October 1982 by McMurrys and found only one replaced headstone of Alexander and Millie McLendon. A timber company, named Land, cut the tall timber in 1950's, dragged the timber out along with tombstones down to a hollow or creek. (There were TWO other stones and old one for Fleming, one for confederate soldier, Anderson.) Such desecration!

-Reese McLendon, son of Allen Franklin & Deborah Davis McLendon, says there were some McLendon's buried at Carmichael, under an old, big cedar tree at the old Carmichael High School. That was called Maxville voting precient then, after McLendon who lived there. Reese thought surely it was his forebears. Reese taught school there.

However, this writer has been there and could find no McLendon headstones in the new cemetary or any evidence of any graveyard or stone where the old highschool was located.

Note: The following McLendons are shown on:

Map of 1696 Montgomery Co., N. C. (after 3 divisions from Anson making Montgomery, Richmond, Stanley and leaving a smaller Anson) shows:

*1780-Joel McLendon living in Ophir Township, of Montg. Co. in the N. W. part of Montg. Co. close to the Randolph Co. line.

Note: Melba Allen Smith (Mrs. Alan Louis Smith) of Metairie, La. says:

Daniel had an illegitimate son, William R. McLendon, Jr. by Fairabee Bounds, born 1884. However, this cannot be true since Daniel McLendon, who married Isabel McIntosh, was dead long, long before 1884. Our Daniel was born 1782 and died 1840 or before. Therefore, he could not have fathered Wm. R., legitimate or illegitimate.

She said the Daniel, who fathered son by F. Bounds, never married Bounds, that Bounds just named him McLendon.

John M, b. 1806, had only one son named Daniel, b. 1827 and he was afflicted & certainly not the father of William R. McLendon, Sr., Jr. or anyone named Daniel.

Now, Melba A. Smith says in letter 11/6/82:
(Smith is all in quotes.)
Para. 2. "if your Daniel was born 1882 or about it is possible his father was Daniel, Sr."

McMurrys Reply: Did you mean 1782, not eighteen? If so, "Daniel, son of Ezekiel was the one who came to Green Co.", Ms.

McMurrys Reply: Yes, I believe so from having at least seven family records histories saying so.

"he also had two sons by 1790 according to N. C. State census." "in 1774 to 1787 he had one son".

Reply: How could Daniel, born 1782 have 1 son in 1774 to 1787 (before born or age 5) or two sons by 1790? Impossible!

However, Daniel could have been born earlier than 1782. He died, as per all the family histories in 1840 in Greene county at 58 years old, which is young. Even so, if he was born in 1765, he could not have been the father of the one son in 1774 to 1787, unless he was VERY early developed sexually, but he could have been the father of two sons by 1790 when Daniel would have been 24 to 25 years old...; it's possible but not probable; therefore,

I do not believe the Daniel in Richmond Co., N.C. in the 1790 Census was Daniel, born 1782, who was head of household over 16 years. Daniel was only 6 years old. Ezekiel did not die until 1802 so this could not have been our Daniel with someone living there to take care of minors.

If Daniel was born in 1765 instead of 1782, he would have been 25 years old in 1790 & could have been the 1 m head of household over 16, had 2 m under 16 who were not his brothers since his parents had not died, 4 f which may have included his wife and 3 more females.

Keep in mind that on the Montg. Co. map (encl.) Daniel and Jesse McLendon lived close together in 1802 & 1803...but supposedly No.C.

Daniel could easily have gone to Chesterfield Co. SOUTH Carolina, where Melba Smith says they were in 1810. South Carolina is full of McIntoshs, as well as S. W. Alabama and S.E. Miss from Choctaw Co. paralell on south. However, their sons were born in either No. or So. Carolina.
